3 OF 6 / SEE THUMBNAILS

By [MARTINA VESCOVI](#) June 04, 2014**Tell A Thousand Lies** by Rasana Atreya, £1.99, Kindle

This is the story of two twin sisters; dark skinned Pullama and fair skinned Lata. Where they live, the colour of their skin still determines their destiny. While Pullama dreams of a family, Lata would rather become a doctor but their conservative grandmother has other plans for them. The novel tells the story of the rebellious sisters unchaining a series of events that shape their lives forever.
